

NORTHEAST REGION OA CENTENNIAL CHENILLE 2nd Edition w/black, ghosted FDL at bottom

The Northeast Region quickly sold out of our Centennial Chenille within weeks after its release this spring. Unfortunately, the manufacturer forgot to put a FDL on them and was required to remake them with a ghosted FDL in black towards the bottom.

All proceeds support regional OA programs like NLS, NLATS, Gathering of Leaders, Train the Trainer, officer expenses, and go right back in to the program.

Each chenille is \$25 and they are made in the USA!

ONLY 200 were made! Limit of 5 per person! We will NOT re-order!

I would like to order _____ chenilles at \$25 each. **Postage is \$2 for up to 5 patches.**
